

CEDAR HILL CEMETERY FOUNDATION, INC. COLT MEMORIAL RESTORATION CAMPAIGN

Cedar Hill Cemetery Foundation has launched the Colt Memorial Restoration Campaign to raise the funds necessary to restore Samuel and Elizabeth Colt's historic monument at Cedar Hill Cemetery. Nearly 120 years old, the grand and beautiful monument is suffering from cracks, discoloration, atmospheric deposits and leaking. Without restoration, the monument will continue to suffer surface loss and could potentially become structurally unsound.

Since launching the Colt Memorial Restoration Campaign in December 2007, Cedar Hill Cemetery Foundation has raised more than \$15,000 to support this project, however, the Foundation's fundraising goal is more than \$90,000. We would like to thank the following people for supporting the preservation of the Samuel and Elizabeth Colt Memorial at Cedar Hill Cemetery.
